

HIGH ISLAND CREEK WATERSHED DISTRICT
GAYLORD, MINNESOTA

APPLICATION FOR PERMIT

_____ (name) of _____ (city)

Minnesota, does hereby apply to the Board of Managers of the High Island Creek Watershed District for permission to construct, maintain and use a private drainage project, or complete other work for which a permit is required under the High Island Creek Watershed District Rules and Regulations, over, under, and across the following described lands situated in the County of _____, State of Minnesota:

(Here state legal description of lands involved)

Said project will consist of the following improvements and specifications:

(Here describe in detail the proposed project. If a tiling or drainage project, include tile size, length of project, proposed outlet, calculated drainage coefficient, etc. If another type of project, describe the project in detail, including the type of work being completed, any watercourses, wetlands, or other public waters impacted, and any mitigations efforts to protect water quality. You may attach additional pages if you need. You may also include any maps, drawings, engineering studies, or similar documents that support your request or explain your project.)

A \$50 application and field inspection fee (to cover costs of investigation of the area affected by the proposed activity, analysis of the proposed activity, services of a consultant, and any required subsequent monitoring) shall be included with the permit application. The Watershed District reserves the right to request additional field inspection fees to cover additional costs.

Government agencies are exempt from the application and field inspection fee.
